Our Story

2022

Labah Tong Hill Resort LTD. is located at the Bandarban where the beauty has no boundary. It is one of the best hill resort in Bangladesh. This resort is very popular for its natural beauty, unspoiled environment, and friendly staff.

The creation

2017

Although our resort was launched on 05 May 2022, its foundation stone was laid in 2017. From then on, the journey of our dream project started. The project of our resort was taken up in 2017 and all the possibilities were explored. After that, all of our members were confident to continue our dream project. Next, our dream project started with all the necessary permissions, paperwork, etc.

The takeover

2018

The construction of the Labah Tong Hill Resort Ltd. main building began in 2018 and was completed in late 2022. The project's foundation stone was laid in 2018, and the journey of our dream project started after that. The resort building is an all necessary resort facility that will offer outstanding amenities opportunities to its guests.

Is In Operation

NOW

The journey of our resort started in 2017 when the first team of developers set out to build what would become a world-class hill resort. Over the next several years, they worked tirelessly to create a place where guests could enjoy the natural beauty and some local traditional mountain experiences. Today, the resort is bustling with activity, and guests can explore its many attractions while taking in stunning views of the surrounding mountains.
